### **Grounds Management Policy**

- The ground shall be mowed every week during the cricket season and as regularly possible during the off season to try and maintain the ground in preparation for the upcoming season.
- A grounds keeper shall be appointed at the AGM.
- The grounds keeper shall ensure covers are put on the playing pitch every Friday night.
- The ground shall be sprayed for weeds at the end of each season (April) and at the start of season (September).
- The fences shall be maintained in good order to prevent injury to players and prevent unauthorised vehicles from entry onto the ground.
- The surrounding grassed areas shall be kept in good order and shall be mowed as required to prevent long grass.
- The area around storage sheds and nets shall be kept clear of debris, and dangerous branches or trees shall be removed.
- The pitches shall be scarified as required. Suggested times are early September, mid-December, and early April.
- All sprays, pits and pipes shall be kept in good working order.
