Vehicle and Equipment Policy

- A maintenance plan shall be developed and followed for all mechanical equipment.
- Maintenance on all equipment should be regular and carried out by approved or appropriately trained personnel.
- All vehicles and ground maintenance equipment shall be stored in the machinery shed.
- The machinery shed shall be always kept in a clean state.
- The following grounds equipment shall be available for use; turf mower for pitch, roller, covers trailer, grounds mower, tractor, scarifier, normal grass mower, and spray unit.
- Different fuels for each piece of equipment shall be kept in the shed and be kept in appropriate storage containers and clearly marked.
